Clubs & Intramurals at MAPS!

We have started practising our skipping for Jump Rope for Heart. Money goes directly back to the foundation, and 10 percent of what we raise comes back to the school! In the past we have used this money to get new school jerseys for sports, as well as sports equipment. All fundraising is completed online. Here is the link to join our school! We are fundraising now until our jump day, May 27th. Each division (primary, junior, and intermediate) will jump for 100 minutes through skipping activities and games. Please sign up to support our school and this foundation. Thanks for your support in keeping our kids active and healthy!
