## *What is the Special Education Advisory Committee?*

Every school district is required to have a **S**pecial **E**ducation **A**dvisory **C**ommittee (SEAC). SEAC is a broad-based, educationally focused committee that meets monthly to engage in a variety of discussions all related to the educational programs for students with special needs. These meetings are open to the public and are held on the second Wednesday of each month throughout the school year. Meetings begin at 7:00 p.m. at the Upper Grand District School Board office in Guelph.

At SEAC meetings, the representative members from different organizations (ABC - Association for Bright Children, Autism Ontario Wellington Chapter, FASD-Fetal Alcohol Spectrum Disorders, Integration Action for Inclusion in Education and Community (Ontario), Learning Disabilities Association of Wellington County, Parents for Children's Mental Health, VOICE for Hearing Impaired Children) share knowledge about their agency programs with the committee. These community members then take back points of information about the Board's educational programs to the agencies that they represent. In addition, SEAC makes recommendations to the board with respect to any matters affecting the establishment, development, and delivery of Special Education programs and services for exceptional students within the board. The SEAC committee also participates in the board's annual review of the Special Education Plan and participates in the board's annual budget process as it relates to Special Education.
