---

### ARBOUR VISTA PUBLIC SCHOOL BEFORE & AFTER SCHOOL PROGRAM

If you need before and after school care for your little one, The Montessori School of Wellington has been operating a Before & After School Program at Arbour Vista Public School since the school opened in September 2014.

There are still some spots available for the school year of 2021-2022. If you would like a spot in our before and/or after school program then please email the school at [sherry.bonnell04@gmail.com](mailto:sherry.bonnell04@gmail.com) and we will send you enrolment information.

---

If you move or change your contact information, please be sure to let the school know

---

Please return all of the forms that came home on the first day of school so that we can update our records:

- Student Verification Forms [white paper]
  - Freedom Of Information forms [pink paper]
  - Walking form [blue paper]
- 

Please be reminded that if you drop-off or pick up your child at school, that entry into the school building is not permitted due to COVID restrictions.

---

Please help us keep everyone healthy and safe by doing the daily screening and by reminding our students to socially distance and wear masks when less than 2 m apart.

---

**The Kiss'n Ride Area.** Please be mindful that this area is not for parking and parents may not get out of the car. It is strictly to stop, let your child out and carry on. If cars stop, it clogs traffic in the parking lot and on the street and interferes with buses. Our parking lot may not be used for student drop-off either, we simply do not have enough space. We also have many children walking to school and the increased traffic in the parking lot is creating an unsafe environment. If you wish to walk your child to school, please park on the street and walk over. Thank you.
