November 23, 2021

Dear Parents and Guardians,

We are very excited to let you know that we have been able to secure a residency by DanceEd at École Arbour Vista.

DanceEd is a dynamic group of professional dancers who will be teaching our students the art of modern dance. They have been working in and with schools in Upper Grand for several years and have received high acclaim from teachers, parents and, most importantly, students, alike. Our students will be learning dance in the gym, one class at a time. All protocols, such as masks and social distancing will be followed; the group has also been vetted by our board. The DanceEd team will be at our school from November 30th to December 15th. Each class will have approximately 4 dance lessons. They will also be able to practice their dance in class, as they will have a video recording of their specific dance.

We are asking for a fee of \$25 per student to offset the school's costs. Since the students have not had field trips in some time, we are very excited to bring this opportunity to our school! Should there be any concerns in meeting the fee requirement, please do not hesitate to reach out to Mme Harrison and alternate arrangements can be discussed. **This will be available on School Cash online by Wednesday, November 24.**

At the end of the DanceEd residency, we will videotape each class so that our parents and families can view their child's performance. Of course, no names will be mentioned and the students will be wearing their masks. The video link to each class dance will be posted on their Google Classroom. For this reason, we are asking each child's parents or guardians to give us explicit permission to videotape and post the dance on their child's Google Classroom. If we do not have your permission, we will do the taping without your child's participation.

Please fill out and send the permission slip and the fee to school with your child at your earliest convenience.
