- **Term 2 Report Cards**

- **Medication Pick-Up**

If you have not done so already, please be sure to pick up any medications that may be at school for your child. If you would like us to send it home with your child, please let your child's teacher know by sending an email. Otherwise, all medications left at school past June 29th will need to be disposed of.

- **Plans of Care**

If your child has a Plan Of Care or should have a Plan Of Care, please let us know. Mme Languedoc has been in touch with all of the families about the procedure already. This is a gentle reminder to get your child's POC updated and returned to school before June 29th. This is very important safety information that we need in place for the first day of school. If you require further information, please contact Mme Languedoc at 519-766-4555 ext. 224.
