Principal/Vice-Principal Report:

Secretary did not take minutes for this section.

LunchBox:

It is on hold for right now. Sevens hospitality can do milk. We would like to do it ourselves through Cash Online. Just need Annette's help. Theresa doesn't want to help with this, but Kayla has offered. Talk more in September.

LunchBox did create a little fundraising money that maybe it could go back to the office for photocopying and printing.

Coffee Hour:

Someone suggested maybe doing a Google survey to see what day would be best, the first day of school or do an evening thing. It would ask how involved you would like to be. To go on agenda for September. Could also do something the night of Terry Fox Night, we would have to think about logistics of that night.

Candice motion to wait on Coffee Hour.

Margaret seconded.

Passed.

Crystal asked about a phone number or email for Parent Council to maybe be included in the JK info. Maybe do up a one-page paper for the final newsletter. Danelle will get that info.

Cherlyn motion to adjourn the meeting.

Margaret seconded.

Passed.
