# Club Descriptions/Details

## Student Councils

Council	Time	Location	Staff Advisor	Club Description
<b>Academic Council</b> <b>Chemistry Club</b>	Wednesdays - lunch (every other week)	B210	Ms. R. Tanner	The role of this Council is to engage students in academic enrichment. The Council will allow for the interactions between academic clubs as well as encouraging these clubs to interact in a whole school environment. Clubs included are: Classics Club, Chemistry Club, Science Olympics, Science Fair, Sanofi BioGENEius, Model UN, School Reach Trivia Club, DECA, Chess Club, Math Club , AP (Advance Placement and Advanced Problem Solving) Club, Skills Canada, Envirothon, Mock Trials, White Pine Book Club
<b>School Events</b>	Mondays - Lunch	GI Room	Ms E Franklin	The role of this Council is leadership in the execution of all of Centennial's major events. It also aims to socially enrich the lives of Centennial students. Also includes Tech Crew (handles the technical support required for events)
<b>Grad Committee</b>	Thursdays - lunch	Learning Commons - Upstairs	Ms. C. Milne Ms. M. Lowry	The role of this Committee aims to raise school spirit and school involvement for graduating students through planning and executing various activities throughout the school year.
<b>Link Crew</b>	Wednesdays - lunch	GI Room	Ms. C. O'Brien Ms. J Cutting Mr. A. Wallace Ms A. Raymond Ms G. Currie Mr. E. Froats	The role of this Council is to support Grade 9 students through their transition to high school and help create a positive experience for them. Link Crew Leaders (Grade 11 and 12 selected students). A Team (Grade 10 selected students).
<b>Music Council</b>	Tuesdays - lunch	Learning Commons - Basement	Mrs. M. Downton	
<b>Social Responsibility Council</b>	Fridays - lunch	B210	Mr. C Lipovschek Ms. K. Crawford Ms. K. Gad Ms. J. Cutting	The role of this Council is to promote current environmental and social issues in our community as well as throughout the world. A sub-group this year will be working on action projects (e.g. planting pollinator plants, new composters etc.)
<b>Student Council</b>	Mondays - lunch	B210	Ms. C. Popofski Ms. E. Franklin Ms. C. O'Brien	Student Council aims to raise school spirit and promote student involvement creating fun, positive and inclusive experiences for every student.
<b>SSA</b>	Tuesdays - lunch	A208	Mr. K. Treiguts	The role of this Council is to plan and organize school athletic events. It aims to raise school spirit and promotes varsity as well as intramural athletic involvement. Includes varsity teams, intramurals, triathlon club.

# Academic Clubs

Club	Time	Location	Staff Advisor	Club Description
<b>Classics Club</b>	Thursdays - Lunch	A212	Ms. A. Wilson	Enjoy friendly trivia games based on Greek Mythology and other aspects of the classical world. Join the Google Classroom with code i7kbt5b to see study material (if desired) for the upcoming week's meeting. Students may have the opportunity to attend off-campus events (including the overnight trip to the Student Classics Conference in May - usually located at Brock University), and compete in other written contests.
<b>Computer Science Club</b>	Event based, see classroom for details	C206 (classroom code xn246pw)	Mr. B. Cutten	CS Club is for any student who wants to explore the exciting realm of computer science. Members are given access to learning resources, as well as opportunities to compete in contests and collaborate with other like-minded individuals. No prior experience is required, beginners are welcome.
<b>DECA</b>	Fridays, lunch	GI Room	Ms. M. Lowry Mr. B. Cutten Ms. A. Moffatt Ms. T. Osmond	DECA's mission is to be the leading, innovative extra-curricular program for secondary school students in Ontario by creating professional partnerships and experiential learning opportunities that allow students to develop confidence, employability skills and demonstrate leadership in business.
<b>HOSA</b>	Virtual	Virtual	Ms. J. Cutting	Students are working towards a competition in March, studying different materials on an area in health care they are interested in. They compete through trivia, medical tests, etc at the competition. Students learn key medical skills. <b>Classroom code eycza72</b>
<b>Improv Team</b>	Tuesdays - Lunch	B118	Ms. K Denis	Membership of this team is done through auditions
<b>Math Club</b>	Mondays - Lunch	A108	Mr. A. Wallace Mr. W. Azimi	Math beyond the curriculum. Members take part in games, contests, and problems to enrich the mathematical soul.
<b>Reach for the Top</b>	Tuesdays - Lunch	A209	Mr. J. Bryson	The Reach for the top trivia club is for students to have fun, while increasing their knowledge. There are questions about a vast range of topics, such as Math, Science, Movies, Literature, Sports, History, Geography, and more. Everyone is encouraged to attend drop in games, which happen every Tuesday in A209. Regular attendees are invited to join Centennial's junior or senior reach for the top team, which compete against the other highschools in Guelph at tournaments in the spring.
<b>Chemistry Club</b>	Wednesday - Lunch (twice a month)	B214	Ms. R Tanner	Prepare for science olympics, chemistry competitions, advertise science activities like SHAD and competitions like Chem 13 and Sir Issac Newton
<b>Robotics Club</b>	Tuesday - Lunch	E103	Mr. E Schaeffer	An opportunity for students to build and program robots. Students participate in challenges that use those robots to solve problems. Class code is <b>azfkrpy</b>
<b>Biology Club</b>	Tuesday - Lunch	B210	Mr. A Wyche	Biology club consists of exploring topics of interest beyond the curriculum, participating in competitions, preparation for AP examinations surrounding Biology, and getting assistance from peers who are knowledgeable in the subject. If interested, please join the Biology club classroom using the class code: <b>4zaycpr</b> .
<b>Debate Club</b>	Friday - Lunch	A201	Ms. J Phillips
