Parkinson Centennial Public School—120 Lawrence Avenue

How can on-the-go families balance busy schedules without drive-thrus or processed/convenience foods? We’ll explore simple healthy meal ideas that your family will love, including strategies to encourage picky eaters to try a variety of choices and develop a good relationship with food. We’ll also discuss ways to get kids involved with family meals and steps you can take to make meal preparation and family meals enjoyable.

Parenting on the Same Page

May 14—7:00 to 9:00 p.m.

Parkinson Centennial Public School, 120 Lawrence Avenue

What if you and your parenting partner don’t parent the same? Different parenting and discipline styles can create stress, conflict and anxiety. It’s not necessarily these differences that are the issue, but how we navigate them can be a real game changer. We’ll explore ways to work toward consistency while also respecting the strengths of different approaches.
