

# CDDHS Grade 10 Course Selection Guide for 2023-2024

Proper course selection is an important component in ensuring success in high school. You should consider your **initial post-secondary destination, strengths, interests and goals** (currently in Grade 9)

when selecting courses. If you did not earn a mandatory credit in grade 9, you will want to ensure you take it in grade 10.

### Course Types & Initial Post-Secondary Pathway Destination

Not sure what pathway to choose? That's okay! You are not expected to know yet. You are encouraged to choose courses where you will have an appropriate challenge.

### Did you take "Destreamed" Math & unsure what Math Course to choose for Grade 10?

Consider the following...

- ★ How did you feel about grade 9 math class?
- ★ What are your pathway goals at this time?
- ★ What work & study habits do you have to support your success?

- ★ How would you describe your level of understanding of the grade 9 math course concepts?
- ★ What questions do you have about how your choice now might affect your options later?

**Course Selection is Due by February 23, 2023 in myBlueprint!**
