Science	<ul style="list-style-type: none">• SNC1W	<ul style="list-style-type: none">• SNC1L
Geography	<ul style="list-style-type: none">• CGC1D	
French	<ul style="list-style-type: none">• FSF1D	
Electives	+Plus 3 electives	+Plus 3 electives

Destreamed Courses

- De-streaming is an approach to learning that intends to “better support students in having every opportunity to pursue the pathway of their choice after their K-12 education” (Ontario Ministry of Education).
- Students will no longer choose between academic & applied courses when entering high school.
- There will be a common grade 9 curriculum.

Locally Developed Courses

- Designed to meet the educational needs of students not met by provincial curriculum.
- Support students who may be working on modified curriculum expectations in grade 8 and who would benefit from extra support.

COURSE SELECTION

1. Fill out grade 9 'planning worksheet' with your grade 8 teacher
2. Enter courses in myBlueprint accessed through the ugcloud landing page
3. Submit
4. Final course selection is due on January 27th.

Compulsory Courses	Courses students must take to earn their Ontario Secondary School Diploma (OSSD).
Destreamed Courses	De-streaming is an approach to learning that intends to "better support students in having every opportunity to pursue the pathway of their choice after their K-12 education" (Ontario Ministry of Education). Students will no longer choose between academic & applied courses when entering high school. There will be a common grade 9 curriculum.
Elective Courses	Courses students can choose based on interests.
Locally Developed Courses	These courses are designed to meet the educational needs of students not met by provincial curriculum. They support students who may be working on modified curriculum expectations in grade 8 and who would benefit from extra support.
Open Courses	These courses are designed to broaden students' knowledge and skills in subjects that reflect their interests and are appropriate for all students.

Course Selection is Due by February 1, 2022 in myBlueprint.

**Don't forget to enter a Parent/Guardian email address once course selection is submitted in myBlueprint. An email will be sent asking for verification of course selection.*

FTERMT - Grade 9 Remote Whole Year

For grade 9 students that desire to have a remote learning option for the 2022-23 school year, a set package of courses (4 per semester) will be delivered through a combination of BrightSpace (the Provincial eLearning platform) and Google Meet. Students will be expected to attend class virtually on a daily basis according to a set schedule that will include opportunities for online, whole group and small group learning opportunities and asynchronous/independent learning. Courses Included: BTT10 Information & Communication Technology in Business, ENG1D English Grade 9, GLS10 Learning Strategies, MTH1W Math Destreamed, AWQ10 Photography, CGC1D geography, FSF1D French and SNC1W Destreamed science.

The image shows a screenshot of a 'Student Account' dashboard. On the left is a dark blue sidebar with a menu. The 'High School' option, which includes a graduation cap icon, is circled in red. Other menu items include Home, Middle School, Elementary, Work, Money, Guides, and Favourites. The main content area has a light blue header with 'Student Account', a grade selector set to 'Gr. 8', and a points balance of '650 points'. Below the header, the 'Home' section features a 'Complete your IPP Tasks' card with a 43% progress bar and a 'Plan Courses for Grade 9' card with a 100 points reward. At the bottom, there is a 'POST-SECONDARY' section titled 'Explore your options' with a graphic of a graduation cap and a blue background.

Description

This course is designed to develop the oral communication, reading, writing, and media literacy skills that students need for success in their secondary school academic programs and in their daily lives. Students will analyse literary texts from contemporary and historical periods, interpret informational and graphic texts, and create oral, written, and media texts in a variety of forms. An important focus will be on the use of strategies that contribute to effective communication. The course is intended to prepare students for the Grade 10 academic English course, which lead to university or college preparation courses in grades 11 and 12.

Individual Pathways Plan (IPP)

- Students are required to maintain IPP electronically
- Students use “myBlueprint” for course selection and their IPP

How can parents support their child with the IPP?

- Review pathway plan on myBlueprint at least once a year with your child
- Have discussions about opportunities while in school and pathways beyond:
work, college, apprenticeship, university, travel

Encourage your
child to
complete their
IPP tasks

The screenshot shows a student account dashboard. On the left is a dark blue sidebar with a menu: Home, Who Am I, High School, Post-Secondary, Work, Money, Guides, and Favourites. The main content area has a light blue header with 'Student Account', a grade dropdown set to 'Gr. 8', and a points balance of '650 points'. Below the header, the 'Home' section contains tabs for Dashboard, Tasks, Classes, Goals, and Portfolios. The 'Dashboard' tab is active, showing a section titled 'Complete your IPP Tasks' which is circled in red. A red arrow points from the text on the left to this section. Below the title is a progress bar and a description: 'Individual Learning Plan (ILP) tasks help you plan your education and career while earning points for prize draws.' There are two buttons: 'View All Tasks' and 'Show Prizes'. To the right is a 'High School • Plan' card titled 'Plan Courses for Grade 9' with a '100 points' reward. At the bottom, a 'POST-SECONDARY' section titled 'Explore your options' encourages researching post-secondary opportunities, accompanied by an illustration of a graduation cap.
