

CELP MENTOR APPLICATION FORM

Must BE TYPED

Name

Address

Phone { home and cell }

Email Address: { you must use this...daily.... when on the job !}

Part A/ Please attach a current resume.

Part B/ **Please answer the following questions in sentence and paragraph form**

1/ Please outline what changes and contributions you have made to help the environment and your community since participating in CELP.

2/ Your life is your resume. Tell us what skills and character you bring to this position of leadership and responsibility.

3/ There are specific job requirements to this position { inventory and equipment preparation, EcoStar teacher preparation and set-up } but there are also many opportunities for improving the program and its daily operations...what skills do you bring, and what projects might you suggest and complete, that might help improve CELP/Headwaters?
