

A grad night to remember

On **June 23, 2020**, between **4:00 - 7:00 p.m.**, CHES graduates and their immediate family are invited to begin celebrating Grade 8 Graduation by coming to the school for a drive-thru graduation. School staff will be outside the school to greet Grads.

When you come to the school, you will:

- receive a grad bag;
- have the opportunity to have a grad photo taken; and,
- say goodbye to your teachers.

In order to make sure this part of the celebration runs smoothly, we require all families to follow the guidelines below.

- Entry to the school parking lot will be marked out with pylons. Please follow the designated route.
- Only one car per graduate is permitted.
- Pictures:
 - Families can take a quick picture or a staff member will take a picture for you. If a staff member uses your device to take a picture, they will wear gloves and use a disinfectant wipe before handling your device.
 - Pictures will be taken in a designated spot.
 - Only one family at a time will be allowed out of the car.
- One person from your car will leave the car to pick up the grad bag.
- Graduates are welcome to dress casually or, if you already purchased a grad outfit, to dress up. Students do not need to purchase grad dresses/suits.
- Families will likely need to wait in their car for a period of time before being able to take a picture and get their grad bag. Depending on the time you arrive, there may be a considerable wait. Please be patient.

At approximately 7:15 p.m. a link to the graduation will be shared on the Grade 8 Grad Classroom. **The video contains pictures of students and staff, and must not be recorded and put on social media.**
