PRESENTED BY:  
DR. JON CALLEGHER | EXECUTIVE DIRECTOR, JOB TALKS

Employment Researcher Dr. Jon Callegher will explain to parents why they can be excited about the Skilled Trades as a post-secondary pathway for their children. In this captivating presentation, Dr. Callegher will reveal:

- ❑ What makes a “Good Job” according to Ontario parents
- ❑ Common concerns about children’s well-being today
- ❑ What parents really think about University and College pathways
- ❑ The physical and mental health benefits of the Skilled Trades
- ❑ How “University-bound” traits are also Skilled Trades traits
