

Pine River Institute's Centre for Family Initiatives presents:

MASTERING THE GAME

Navigating Gaming Trends and Healthy Play

This masterclass explores the world of gaming, including emerging trends, online platforms, the reasons people game, the neurobiology of gaming, gamification, and the benefits and risks of gaming. It also provides resources and strategies for healthy play.

Wednesday, December 13, 2023
7:00 – 8:00 PM
