

October 24, 2016

Dear Families of CMES,

The Cobra Character Crew is looking ahead to our November 11th Remembrance Day assembly. As part of the program this year, we would like to highlight the personal connections CMES has to Remembrance Day and what it stands for.

To show our personal connections to November 11th and the theme, "Why We Remember," we'd like to collect photos from our CMES staff and students that depict family members and service men and women who were in some way impacted by the wars and events that we recognize on November 11th. This includes: Canadian Armed Forces members (past and present), family members who served for your family's country of origin, families who immigrated to Canada before, during, or after a war, etc.

Your photos will be scanned into a slideshow that will play at our assembly. You will receive the original photos back after the digital copy is created.

Please start sending in your photos as soon as possible. Submitted pictures should have the following information connected to each photo:

- 1) Name of student/class
- 2) Names of family members in the photo
- 3) Date (year) photo was taken
- 4) Brief note on the person/people in the photo

Photos should be submitted by Monday, November 7th.

If you have any questions or concerns regarding the Remembrance Day assembly or about your family photos, please feel free to contact me at the school.

Kind Regards,
Dayna Hoekstra
