- Read and practice written skills with small groups of campers
- Participate in outdoor activities and trips
- Help with lunches
- Assist with other afternoon activities (art, science, music, etc.)

We know this will be a wonderful experience for you, the camp staff and the campers. If you are available for a few days, one of the 3 weeks or all 3 weeks and are interested in working with younger students this is the summer experience for you! Please complete the Volunteer Agreement with your parents and return it to your principal.

N.B. This is a perfect opportunity to accumulate your volunteer hours for secondary school.
