

# CIRCLE OF LIFE-LONG LEARNING

Are you a looking for a week-long family getaway this summer? Do you live in Southern Ontario? Both students and a caregiver can participate in this five-day fun and interactive learning camp, to be held at the Waterloo Aboriginal Education Centre at St. Paul's University College.

JULY TO AUG  
**31-03**  
APPLY BY:  
JULY 03, 2017

We will explore the power and possibilities of science, technology, engineering and math in an Aboriginal-based setting, where we will weave together the wisdom and traditions of the past and the generations of the future. You don't need any experience or prior knowledge to participate and have a blast!

Ages: 10-12 years

Cost: All accommodations, meals, and transportation costs will be funded through a generous donation by the Lyle S. Hallman Foundation.
