Vice-Principal: Mrs. Papavasiliou

May 9, 2018

Dear Parents/Guardians:

Your child has been registered to begin Kindergarten at **Credit Meadows Elementary School** in September 2018. This letter is to remind you of the information and orientation sessions to be held on Thursday, June 7, 2018 at 6:00 p.m. for approximately one hour. Please join us in our gym for a "welcome" and then families will spread out to rotate through 3 classrooms.

During this orientation you and your child will receive a "goodie bag" of materials and information. You'll have an opportunity to learn about our different programs (i.e. classroom, library, gym, resource, etc.) and how you can best support your child for Kindergarten.

This orientation is intended for all JK students and any SK students who will be new to Credit Meadows. We highly recommend that you and your child attend this orientation as lots of important information and fun activities will be shared to help your child for entry into school.

We are looking forward to meeting you and your child, and to begin the preparations for your child's school career.

Sincerely,

Ms. Lagundzija-deFreitas
Principal
