[How do I sign up for a Parent-Teacher interview?](#)

[How do I join a Google Meet on my device/phone?](#)

What happens if I forget my Google Meet code or time of interview?

- *Log back into the Parent-Teacher interview sign-up booking system and you will see the time you signed up for once you've selected the teacher(s). You can click on the link under the 'Location' field (beside your child's time) and it will take you to the Google Meet. **Please ensure you only click on the link when it is your scheduled time.***

If I have emailed the teacher indicating that I'd like a phone call during my interview time, rather than a virtual meeting, what should I be watching for?

- *A call from the School/Unknown Caller/a London, Ontario number will appear on your device during your scheduled time.*

If you have any other questions, [please click here for more information](#). Thank you in advance for your patience as we adapt to these changes of practice together!
