Questions? Willing to help us run it?

draytonsoccer@hotmail.com

As much as Drayton Soccer loves the Kiddie Kicker program and knows that it is super popular with families, it is incompatible with the Covid Public Health Restrictions and Ontario Soccer Return to Play requirements. We will go back to regular programming as soon as possible. Many other, larger centres have paid staff running things but we are 100% volunteer run with a small team at that. Hence, the reason we are always looking for volunteers. Please be patient with us as we try to figure out the summer program. Note: North Perth is not running a league this summer.
