## School Emergency Response Training and Annual Drills

Dear Parents and Guardians,

We are writing to provide you with some information regarding emergency drills that we will be conducting this school year.

The safety and well-being of our students is our highest priority. Although we hope that an incident that requires a response from emergency personnel will never occur in our school, we must be prepared to respond quickly and effectively in case it does.

Each year our school must conduct drills to ensure staff and students are prepared in the event of a real emergency.

The following number of drills are required each school year:

- Three (3) fire drills in the fall and three (3) fire drills in the spring
- Two (2) lockdown drills
- One (1) tornado drill
- One (1) bomb threat drill

For each of these drills, there is an education component to explain why they are necessary. All drills are conducted in a manner that is sensitive to the needs of our students. If you have any questions, please do not hesitate to contact the school office.

Regards,

*Natasha Skerritt & Emma Reay*
