

# Some fun facts about our Eramosa Eagles...

- #1 They love their beautiful large school yard
- #2 They love to play with toys in the sand etc.
- #3 They need more toys to play with!

**Help us keep our kids loving their outdoor space! We are in need of donations of new or gently used sturdy sand toys or old pots and pans, shovels etc. to add to our sandbox which sees a lot of use. Please consider adding to our donation box at our school BBQ this week. Thank you from the EPSAC Parent Council.**
