Tuesday Oct 16th at 7:00 pm in the Brisbane gym

Please join us in the gym at Brisbane Public School on Tuesday, October 16, 2018 at 7:00 PM for a free workshop with our guest speaker - Jacqui Strachan. All parents are welcome to come to this engaging workshop!

Parent Involvement that Makes a Difference:

Most parents know that they need to be involved in their children's education, but they are not sure what it means to be 'involved'. This presentation provides an overview of the research on parent involvement, and what actually makes a difference in terms of student success:

- Having High Expectations
- Talking About School
- Helping students develop a positive attitude toward learning and good work habits
- Reading together

The session will explore each of these areas and provide practical tips that parents can use to support their children.
