

## FIVE DAYS OF GIVING

Eramosa students are asking that you help out those less fortunate in our community. From **December 7-11** we will be collecting non-perishable food (canned fruit, juice, instant coffee, children's lunch items, canned meat, peanut butter, oil, etc.), hygiene supplies (shampoo, lotion, toothpaste, deodorant, diapers, etc.), new clothes and new toys to support the East Wellington Community Services and Hope House. Each class will have several decorated boxes for students to add their items from home. Thank you for your continued support! Please remember that we can not accept any donations after the 11th due to the isolation time required before items can be sent.
