

F.A Hamilton Family Lending Library

What is it?

- This is a library of parenting books that were purchased in 2020 using \$500 from the Parent Engagement Funds.
- The original intent of the library was to provide parents a method of self-directed learning during the height of the pandemic, but as restrictions are loosening the library can continue to serve that purpose while also promoting parent to parent discussions.

How?

- The catalogue of parenting books can be found on the F.A Hamilton School Council page <https://www.ugdsb.ca/fahamilton/school-council/> Email fahamilton.ps@ugdsb.on.ca to specify the title of book(s) you want, along with the name of your child and child's teacher.

***2 books at a time per family.**

The school will put the selected books in an envelope to send home with your child.

Books can be borrowed for 2 weeks!
Return the books to the school by sending them with your child.
