

# Public Health is committed to helping you update your vaccination records to avoid suspension from school.

## Important Dates and Information regarding Immunization Notices

The Immunization School Pupils Act (ISPA) requires Wellington-Dufferin-Guelph Public Health to collect and review immunization records for all students attending school.

- Immunization notices for overdue students will be mailed the first week of **January 2018**
  
- If you need to be vaccinated do one of the following:**
  - Schedule an appointment with your family physician or public health unit to complete vaccination(s)
  - Attend ISPA catch-up clinic being offered at GCVI on **March 5<sup>th</sup>, 2018**
  - Report all completed immunizations to Public Health by **April 6<sup>th</sup>, 2018** to avoid potential suspension
  
- If you are not getting vaccinated for medical or conscience/religious reasons:**
  - Parent/Legal Guardian must complete the appropriate exemption process
  - For Statement of Conscience or Religious Belief exemptions you must also complete an immunization education session at Public Health

Every time you get a vaccine report it to Public Health.
