

PURPOSE AND CRITERIA OF THE GCVI WALL OF FAME

Purpose:

- The primary purpose of the GCVI Wall of Fame is to recognize students who had attended GCVI and how they had made a significant contribution to society.
- It is intended to instill a sense of pride in our school and to encourage and to challenge GCVI students to strive for excellence.
- It provides a worthwhile opportunity for a small group of students to learn more about the rich history of GCVI and its graduates through research, interviewing and writing about those who are inducted into the GCVI Wall of Fame.

Inductees into the Wall of Fame must meet the following criteria:

- Have attended GCVI.
- Have made a significant contribution to society.
- Have received recognition for their work, for example: awards, featured in the media, recognized by their peers for their outstanding leadership, etc.

The following factors also affect the final solution:

- The candidates must be researchable and related to student interests.
- Time spent on the project must be a good learning experience for the student researchers.
- The committee will attempt to maintain a balance with respect to decade, gender, occupation, background, etc.
- Availability of funding by the GCVI Alumni.

Selection Procedure:

- The GCVI Alumni Association will call for nominations in September using such vehicles as the Alumni website, local press, school signs, commencement, etc.
- A nomination form will be completed and submitted to the Wall of Fame committee. These will be kept on file permanently.
- Nominations are reviewed by the Wall of Fame committee according to the selection criteria. Final selection is made by the GCVI Alumni Executive.
