

## JUNE 2019 PARENT COUNCIL NEWSLETTER

Hard to believe that summer is finally here and that tomorrow is the last day of school!  
It has been a wonderful school year, but I think we all agree that  
we are all looking forward to summer!

Thank you to all of the families that came out to FUNstival! The night was a great success (despite the rain)!

We held many events and fundraisers throughout the year and we are happy to announce:

Thank you to everyone who came out to the events and thanks to all of the volunteers, sponsors, and teachers who lent a helping hand!

### SUMMER READING PROGRAM

This summer we would like to try something new!

We raised money this year to purchase leveled readers for our **Bibliobus Reading Cart**, and we would like to continue to share these resources over the summer. Staff members have volunteered to make the French and English reading carts **available to students** for lending over the **summer months**.

### WHAT DOES THIS MEAN FOR YOUR CHILD?

Every Thursday between 9 and 10 am students can show up at the front doors to École Guelph Lake and sign out two leveled readers for reading at home. Simply bring them back the next week to exchange for two new books and keep that reading going all summer long. Can't make it every week? We understand, come when you can!

The Summer Reading Program will help your child to continue to progress over the summer months with their reading. We often see a decline in reading levels when students return from summer vacation, and we hope that this continued reading will help to reduce the gap.

## LUNCH PROGRAM

Pizza, Milk and Booster Juice will once again be offered next year. Ordering will start in September.

We will also be offering lunch options from Lunchbox Orders. More info to come in September!

### Mark your calendar:

Join us for the first Parent Council meeting for the 2019/20 school year on Monday, September 9 at 6:30 pm.

***Have an amazing summer!  
We will see you on September 3rd!***
