

Harris Mill Summer Reading Opportunities

Ecole Harris Mill PS is gearing up for summer break. While summer presents an opportunity to relax and enjoy the sunshine, we want our students to continue to find ways to learn while away from the classroom.

There are many reading opportunities available from our school, online and in our community:

Harris Mill School Library Summer Lending Program

As the school year draws to a close, our main priority is usually to get books returned and back on shelves for the coming school year. This year, we are offering up a trial Summer Lending program. Students in Grades 1-5, who are returning to our school, had the option of signing out one or two library books to read over the summer. Please ensure that they are returned promptly the first week back to school.

OverDrive/Sora Summer Reading Program

There is an exciting reading service available through Sora, the student reading app, which provides free 24/7 access to eBooks and audiobooks. This summer, the **OverDrive Summer Read** program will offer a collection of Juvenile and Young Adult titles that will be prominently displayed in Sora for quick and easy unlimited access from **June 6 - August 15, 2019**. Students can log-in using their UGCloud user-name and password. Get started at <https://soraapp.com/library/uppergrandca> or download the free Sora app.

Rockwood Public Library

Our local public library has many exciting programs happening this summer, including the TD Summer Reading Club. For more information, visit their website at <https://t.co/yp18hYhFrz>.
