
Subject: Fundraiser for Harris Mill Public School – YOUR SUPPORT IS APPRECIATED!

Hello!

We are able to run a fundraising campaign and have decided to go with Recipes in a Jar. We have just started and need your support!

The goal of our campaign is to raise money to support resources in the school such as technology, books and musical instruments.

By purchasing a ready to cook recipe you help us to succeed in funding our projects. In addition, for every jar sold, Recipes in a Jar will donate a free meal to a local food bank!

So why not fill your pantry with delicious easily prepared meals and snacks and feel good about providing a meal in your community!

Recipes in a jar also make a great gift!
