

Freezie Friday!

“Pay What You Want” Freezie Fundraiser!

Next Friday, June 24th, is the last Friday of the school year! To celebrate, we’ll be having another Freezie Fundraiser.

The last time we had a Freezie Fundraiser, we had several families asking if they could support the fundraiser / help to make sure every child received a freezie by making a donation, however we didn’t have the capability with the way we had set up ordering. We’re going to try something a little different for this Freezie Friday and have set it up to “Pay What You Want”!

Freezies are available to order in School Cash Online for a donation of \$2, \$4, \$10 or \$20. Every student will be offered a jumbo freezie at second break, regardless of their order. Money raised from this Freezie Friday Fundraiser will be used to support music and literacy in the school.

We greatly appreciate your support!

****If you do not want your child to be given a freezie, please contact your child’s classroom teacher before June 23****
