

ILPS 2019 Deck the Halls Santa's Workshop Donation Lists

We are asking families to donate NEW or very gently pre-loved items for our kids shopping area. This area will be a place for kids to shop for their family members.

Each class has been given a specific family member to bring in donations for. Please see below to know what your child's class has been assigned. Remember, these are only ideas, please use your imagination and bring in any item you feel would fit your theme.

We are asking that donations be brought to the school and placed in the collection box in each classroom no later than November 28th.
