**Thank you** for providing work

Our products are handmade by artisans from the social economy, in partnership with non-profit organizations whose mission is the integration of workers with temporary or permanent limitations. By choosing our products, you are also offering work opportunities to your community.  
Be proud of that choice !

**Together** we will make a difference.

Our pledge is to deliver one meal to a local food bank for every recipe sold. Last year 863,492 people received food from a food bank in Canada. This is 28% higher than in 2008.  
36% are children and youth.  
Together, let's help feed them !
