### **IMPLEMENTATION OF THE SCHOOL'S CODE OF CONDUCT**

Safe Schools Policy 503 (Student Discipline, Bullying Prevention and Intervention, Suspension and Expulsion) provides direction to the school Code of Conduct in order to support and maintain a positive school climate for all students, staff, and community. The school Code of Conduct supports the use of positive practices, including prevention and early intervention, as well as consequences for inappropriate behaviour. This includes Progressive Discipline, and suspension and expulsion where necessary. Before applying disciplinary measures, the discriminatory and disproportionate impacts of disciplinary decisions on students protected by the Human Rights Code shall be considered.

### **PROGRESSIVE DISCIPLINE**

Progressive Discipline is a whole school approach that makes use of a continuum of prevention programs, interventions, supports, and consequences to promote positive behaviours. In developing a Progressive Discipline approach, preventative practices, corrective and supportive strategies are used to reinforce positive behaviours. These approaches build skills for healthy relationships and promote positive behaviours.

### **SPECIFIC PROGRESSIVE DISCIPLINE STRATEGIES FOR SCHOOL**

The following strategies will be utilized at Victory Public School:

In addressing inappropriate behaviour by students, schools will:

- utilize appropriate and consistent action to address inappropriate behaviours within the practice of Progressive Discipline

- provide students with experience using conflict resolution, anger management and communication skills

- make contact with parents and guardians of students under the age of eighteen, or students over the age of 18 or those 16 or 17 years old who have withdrawn from parental control (adult students), early in the disciplinary process and involve them in a plan to improve the student's behaviour until the behaviour is acceptable; and/or
