Date: Thursday, April 6, 2023 Time: 6:30 pm Location: John Black Library/Virtual Co-Chairs: Melissa Mulligan & Carrie-Ann Nind Treasurer: Catherine Shelton-Galdes Secretary: Anneke McCabe Principal: Sarah Schoettler

School Members Present: Sarah Schoettler

Council Members Present: Melissa Mulligan, Carrie-Ann Nind, Catherine Shelton-Galdes, Anneke McCabe, Sarah Schoettler, Sarah DeLange, April Albano, Kerri Cavell, Cassidy Fair **Regrets :** Luke Kordupel, Natalie Dorie

Minutes	Action Items
1. Welcome and Regrets	
2. Review and Approvals:	
Meeting Agenda: Motion to approve by Carrie-Ann, seconded by Catherine.	
February 2023 Meeting Minutes: Motion to approve by Carrie-Ann, seconded by Kerri.	
3. Principal's Report	
Glee Club - Mrs. Fulcher has started up Glee Club once again and over the March break, they sang	
Oh Canada at the Storm Game. Mrs. Fulcher shared that they did a wonderful job representing our	
school.	
New Front Foyer Chairs: You may have noticed that we have new chairs in the front foyer. It was an	
exciting find as they are our school colours. On any given day you will see students and staff using	
the space to do work, to hang out, to connect and to take a break.	
EQAO: is around the corner once again. This year, the grade 3's will be writing May 29th-31st and	
Grade 6's from June 5th to 7th. Our teachers have been working hard to build our student's capacity	
in literacy and numeracy including strategies on how to read and respond to questions effectively.	
Yearbook: This year Ms. Mooney and Ms. Skerritt are working with students to put together a	
yearbook using a platform we purchased through Pegasus our photographer. The cost per yearbook	
will be \$20 and the program is easy to use, imports our class and grad photos and we can tag	
student names in photos added to ensure that we have as many students in photos as possible. Mental Health Week/Education Week: is during the week of May 1st to 5th. This week the school	
will be creating a gallery of Spring art, Empowerment Day will be happening (a group of Junior and	
Intermediate students will be attending) and our Wellness focus theme is Self Compassion.	
With this, because we have classes on trips this week, we will be inviting parents on Tuesday, May	
9th for the first block (two periods) of the day to spend time in their child's classroom taking part in	
the literacy learning in primary and whatever learning is taking place in junior/intermediate classes.	
When they enter our school, they will be greeted by a group of our French students (en francais), in	
the front foyer who will be serving coffee or juice and possibly some treats (still to be decided).	
During the middle block, students will go outside to focus on Taking Care of themselves by taking	
part in various outdoor wellness activities run by our student council designed to support the	
mental wellness of our students and to give them a break in their day.	
Mrs. Robertson and the Drama club will be performing their play called Greese the Country - Myths	
with a Twist on May 18th. We will most likely have a day time performance as well as an evening	
performance. More information will be shared closer to the date.	

 Grade 8 Grad: Grade 8 graduation will be taking place on Tuesday, June 27th this year. We will be reaching out to grade 8 families in the near future to pull together a parent planning committee for the event. International Day of Pink Assembly: This year, we will be having a Day of Pink assembly presented by our student council and Mrs. Mooney on April 11th and students are asked to wear pink on April 12th in recognition of the day. Teachers have also spent some time during the staff meeting to plan lessons appropriate for the grade level to do with their classes. As always our message is that all students need to feel included and safe in our space regardless of their identity. Badger Motto/Slogan: Last year we voted on and had a new logo designed for our school. This year, we have been focussed on creating a school Motto and Slogan. We began the process with staff and then shared the most favoured with student council who then created a presentation for 	
the school that took place before March Break. They presented the options to the school who then	
voted on their favourite. We are now seeking your feedback.	
Cell Phone Use: As a school we are enforcing the educational use of devices only due to heightened issues.	
Upcoming events: Earth Day yard clean up April 20th, Yogurt Day April 25th	
4. Teacher Report	
Prepared by L. Kordupel	
Junior	
Junior basketball intramurals have concluded with exciting intramurals at the schools and a great	
tournament that the students attended. Junior Skills Canada participated at the board level competition at the University of Guelph. Our	
students were led by Mr. Swan and Mrs. Olszewski and did a great job of applying their skills with	
robotics and coding.	
Grade 3,4,5,6 had a wonderful time at Crawford Lake and the students made many wonderful	
memories!	
Primary	
Primary pinball has concluded for the primaries after some exciting time at recess playing! Mrs. Nollert is looking forward to starting a new intramural with the students which will encompass an element of teamwork.	
Intermediate	
Intermediate Basketball wrapped up in February with a tournament at the University of Guelph. Intermediate Wrestling is continuing on Monday mornings at 7:15 am with Dave Ritter (CW's Wrestling coach). We have approximately 10 students who have come out regularly. We have added in a second practice on Wednesdays after school. Students are preparing for their upcoming tournament with the other schools in our area on May 3rd.	
Intermediate badminton club meets twice a week with Mr. Hirst.	
Intermediate floor hockey intramurals have begun with Mr. K. The intermediate floor hockey	
tournament will be on April 26 at Erin Public School.	
Drama club run through Mrs. Roberts continues to meet and is blocking for their upcoming play	
performance in the Spring. Rock Band/Music Club meets weekly and is preparing a song for CBC music competition
