

*Hogarth Hawks Holiday Gift Shop*

With the holiday season upon us, JD Hogarth's Future Aces are working together with our Eco-Club to bring you this year's Hogarth Hawks Holiday Gift shop. Beginning Monday November 26th, we will be collecting gently used items until Friday December 7th to sell at our gift shop on Friday December 14th. If you would like your child to purchase items for immediate family members, the cost will be \$2.00 per item. If you would like your child to have some help from our elves, simply fill out the "Wish List" below and send it in with them on the day of the Gift Shop (Friday December 14th). Our JD elves will be at the shop all day to wrap gifts in newspaper and send them home with your child. This holiday season, we can reduce, reuse and recycle to bring holiday cheer to our family and friends. Money collected will be used to go towards guest speakers and our outdoor classroom.
