

JUNE 2019 JD Hogarth P.S. NEWS

Principal's Message:

It is hard to believe that we have come to the end of another school year. Reflecting back over the school year's calendars, newsletters, photos, slide shows and yearbook pictures, it is clear that it has been another very busy, exciting and rewarding year. We would like to take a moment to extend our appreciation to all our volunteers, lunch supervisors, our School Council, and staff for the support, encouragement, cooperation and assistance given generously to benefit all our students. The contributions of everyone is much appreciated!

Although the staffing process and student placements begin at this time of year, teaching assignments, school organizations and student placements will not be finalized until the second week of September. We continue to work towards minimizing disruptions to class organizations; however, student registrations may result in changes to class placements. With this in mind, class lists for September will be available on the first day of school. We appreciate your trust and understanding in our professional judgement in the student placement process.

With the end of each school year, new opportunities present themselves for some staff. JD Hogarth will experience some staff changes for September 2019. Please join me thanking the following staff for their commitment to student learning and to the community: Mrs. Rupnow, Ms. Roesner, Mrs. Smith, Ms. Johnston, Mrs. Ray, Madame Pangos and Mrs. Kroezen. We wish them all every success in the future! As well, JD Hogarth would like to welcome the following teachers who will be joining our team in September: Welcome Ms. Nielsen, Madame Van Loon and Ms. Foggo.

This year would not be complete without congratulating our grade 8 graduates and welcoming all our new incoming students and their families. To our grade 8 graduates; remember to always be proud that you are graduates of JD Hogarth. You have enriched all of our lives with your presence and leadership contributions to the school. I do hope you travel far and wide, accomplish amazing things, and fulfill your dreams. We wish you success at high school and beyond.

Enjoy a safe and happy summer!

Ms. Barrow and Mr. Bodiam
