What to expect on Picture Day:

All grade 8 grads are photographed

Picture proofs will be sent home

Review proofs and make any purchases on mylifetouch.ca

Grad composite orders can be dropped off on Picture Day

To help ensure a safe and enjoyable grad photography experience, please review the following information:

- For any parents wishing to purchase the grad composite: A digital order form will be provided, and those wishing to purchase a composite should print this form, enclose it in an envelope or plastic baggy and submit on Picture Day. Composites can only be ordered on picture day. See provided composite order form for more details.
- Students will be asked to remove their masks once safely distanced and ready for the photo. Anyone not wishing to remove their masks for reasons of safety should let their teacher and the photographer know as early as possible so accommodation can be made.
- One grad gown will be provided for each student. Students will not share gowns. Dress shirts and ties **will not be** available to borrow, and students will need to provide their own clothing for under the gown. Traditional choices are: Collared shirts and ties for boys and blouses or V-neck shirts for girls. If in doubt, anything simple and neat will work.
- Photographers and school staff can not physically assist students with their attire. This includes helping with ties or other accessories. Please consider this when selecting a tie or other accessories.

Further information on all our safety protocols can be found by visiting www.lifetouch.ca
