# READING ROCKS!

## Registration is open!

Our FREE 8-week one-on-one literacy program is open for registration! The program supports children's literacy skills in the areas of **phonics, fluency, and sight words**. Children are matched with a trained tutor who will develop hands-on activities and games to teach these essential literacy concepts while building motivation and fostering self-regulation. A huge thank you to the Upper Grand District School Board for making these Reading Rocks' sessions possible!

**FOR:** Children grade 1-7, who have a learning disability OR who are struggling readers and enrolled in a school with the Upper Grand District School Board.
