

INTERNATIONAL STUDENT EXCHANGE-ONTARIO

**BECOME AN EXCHANGE STUDENT.
BECOME A GLOBAL CITIZEN.
CHANGE THE WAY YOU VIEW YOUR WORLD.**

Greetings,

Thank you for considering International Student Exchange - Ontario. Living and learning abroad is an effective way for students to experience other cultures and learn another language, and develop a greater sense of self-confidence. By participating in an exchange, students experience a greater understanding of diversity, inclusion, and global awareness organically by participating in an exchange opportunity such as those offered by ISE.

We are committed to developing global citizens by providing the best possible programs, for any number of students interested, at the lowest possible cost. Years of cooperation with Ontario school boards have made this possible. Please help us make this opportunity available to students at your school. You can reach us at **705-722-9440** or email us at **info@iseontario.com**.

Sincerely,

ISE Ontario Team

WHAT ISE ONTARIO?

ISE-Ontario is a not-for-profit organization that collaborates with Ontario school boards to offer reciprocal exchanges for students aged 13-17. We provide summer exchanges as well as school-year exchanges. Summer exchanges run for 3 and 4 weeks, while school-year exchanges run for 9 and 12 weeks. We have recently added the opportunity for students to earn credits while on their exchange. Some exceptions apply. Please get in touch with our office to arrange a presentation for your school. We can also arrange for a virtual presentation should this delivery method be preferred.
