Information from Public Health:

Free dental care for children and youth (17 and younger)

If you can't afford dental care, we have FREE services for your children at Public Health. We provide free basic dental care, including cleanings, x-rays, check-ups and treatment to children and youth.

Our dental hygienists provide preventive services (e.g. cleanings) out of all Public Health locations. Our dentist also provides dental care to children and youth enrolled in the Healthy Smiles Ontario program, and is located in Guelph at our 160 Chancellors Way office.

Have this card? Call Public Health to book an appointment.
