

## ART Image Volunteers Needed

We are seeking 2017-2018 **ART Image** volunteers for your child's class!

What is **ART Image**? **ART Image** is an art education program designed to help teach children about "Making Art & Seeing Art." It is delivered to grade 1-6 classes by an amazing team of parent volunteers. **ART Image** provides an opportunity for children to develop an appreciation for art. Each lesson includes a hands-on art activity. The program fits with the provincial curriculum and the children love it!

### YOU DO NOT NEED ANY PREVIOUS ART EXPERIENCE TO BE A VOLUNTEER!

Our program provides volunteers with:

- Over 180 artist reproduction prints
- Guidebooks with lesson plans & Art activity resource books
- All the necessary art supplies
- New volunteer training

**ART Image** guidebooks contain lesson plans and step-by-step teaching instructions. Volunteers are given all the background information they'll need to lead students. Volunteers usually work in classroom teams. Experienced volunteers often help new volunteers to learn about the program. It typically takes about four hours to prepare for, teach, and clean up an art image session. The McCrae School Council provides each class team with a small budget for purchasing extra art supplies.

A new volunteer information night held later in the fall.
