

Festive Wreaths and Flowers - 2018

While it may be hard to think about at this moment, the holiday season is quickly approaching. Again this year, the school will be offering an opportunity for families to get a head start on their decorating and gift giving. Available this year are wreaths, poinsettias, house plants, and bulbs.

-Wreaths are 24" in diameter and are made from all natural fragrant balsam. They come plain for your own decorating touches, or with a red bow and berries.

-Greenway Blooming Centre is supplying the poinsettias, cyclamen, and amaryllis bulbs.

(Please see order form for further details and specific items available.)
