

**Message to Parents from YMCA-YWCA of Guelph:
Before/After School Program changes for September, 2018**

L'Ecole Edward Johnson Public School

As the largest provider of Child Care in Guelph and Wellington County, the YMCA-YWCA of Guelph has been providing children with a safe, stable and nurturing environment for many years. We currently provide a Before and/or After School Program (BASP) at 14 UGDSB schools in Guelph and Wellington County.

This September, we are excited to be able to provide an Authorized Recreational After School Program at Edward Johnson Public School for students of Edward Johnson PS. The Program will run on instructional days for Grade 1-6 students.

We will continue to provide a Licensed After School Program for JK/SK students of Edward Johnson PS. We will also provide a Licensed Before School Program at the school with a mixed age grouping of JK/SK and Grade 1-6 students.

As a temporary solution to support the interests of families and provide much needed BASP care to families of Brant Avenue PS, which is in close proximity to Edward Johnson PS, we are accommodating registration for Brant Avenue PS students to attend the BASP located at Edward Johnson PS. We are in the process of securing a bus as a means of transportation to and from Brant Avenue PS to Edward Johnson PS.

For more information, please contact Kim Stagg (Child Care Supervisor) via email kim.stagg@guelph.ymca.ca or phone 519-821-8173, or visit our website at www.guelphy.org to either register your child or to be placed on the waitlist.
