Principal's Message:

Another school year comes to a close. This June seemed to pass more quickly than others, but that just seems to be the norm these days.

I have had the pleasure of working another year with all of your children. I am always amazed at what a wonderful school community this is. It always strikes me at this time of the year the amount of personal growth each child has experienced. Watching those SK's getting ready for grade one and sending off our grade 6's is always bittersweet.

The entire staff at École Edward Johnson (teachers, educational assistants, early childhood educators, custodians, office staff, and Board support staff) work diligently to make this the best possible learning experience for your children. I am very grateful for all of their efforts. I would also like to send a shout-out to our crossing guards and bus drivers as well!

I am also grateful for all of the support offered by the School Council members and all those parents who volunteer to help out. We really could not do it without your support.

At this time of the year, we have to say “au revoir” to some of the staff who have contributed so much to our school. I would like to extend a heartfelt thanks to the following people:

Aimée Rathbone	Carlyn Morandi	Louisa Graefin von Waldburg
Barbara Beattie	Kaitlin Alcock	Sandrine Aebersold
Paz Martinez	Sarah Farquahar	Esther Schletz

Wishing for our whole Edward Johnson community a safe and relaxing holiday. Our building will be under construction over the summer and will not be accessible to staff or the public.

Don't forget to remind your child(ren) to come out and look at the Lost and Found. The items are displayed and easily visible. Photos of lost and found items have been posted on the School Council FB page as well.

Sincerely,

Katherine Wainman

Please don't forget to check the school calendar which is updated on a regular basis.
