ADMINISTRATIVE ASSISTANT: L. HOPE GODFREY, J. DOWNEY

JUNE UPDATE

It is hard to believe that the end of the school year is fast approaching and there is much to be proud of this year. The variety of instruction and programming both in and out of the class has offered students opportunities to display all their talents in many different ways. I wish to thank the staff for their dedication and commitment to student learning and excellence resulting in the caliber of programs they offer students.

It is with mixed feelings that I share news of Mrs. Tutty's transfer to Rickson Ridge Public School. I wish to thank Mrs. Tutty for her 4 years of dedication and commitment to the Ken Danby School Community. She will be greatly missed at Ken Danby but we know that she will be a wonderful asset to the Rickson Ridge School community. On behalf of the school community, I would like to welcome Mr. Derek Tellis, our new VP for the 2022/23 school. Mr. Tellis is currently the VP at Sir Isaac Brock Public School in the south end of Guelph.

There are a few other staffing changes that will be occurring at the end of this school year. I will share all of these changes in a newsletter at the end of this month.

It was nice to see extra-curricular activities and clubs begin again in the past couple months. These activities really add to the excitement and vibe of our school. EQAO testing is also back again this spring. Thanks to our Grade 3 and 6 students who are working hard on the EQAO test in the coming weeks to show their best work.

Ken Danby PS welcomes our future Junior Kindergarten students and their families. Please join us at school on Friday, June 3th, from 9 – 10 am. The kindergarten teachers look forward to playing with the children while parents gather in the gym to learn more about our school and community. We can't wait to see everyone there!

The School Council Carnival will be able to happen this year and our Council has been busy planning the event. It is scheduled for June 9 from 5:00-7:00pm. This will be a fun event with food, games and basket raffles. We look forward to seeing students and parents. It has been a busy and challenging year and the School Council has been a tremendous support to our school community. I would like to thank the entire School Council for their dedication and hard work.

As we move into the final weeks, our focus remains on teaching our students to be resilient and creative problem-solvers in their academic and social lives. We would like to thank the parents for their support and interest in their child's education and making Ken Danby School the special place it is.

Blair Conrad
