Dear Parents and Guardians,

We hope that everyone is looking forward to the upcoming March break. Safe travels to those families who are traveling and we hope that everyone has a chance to relax and recharge.

With Ramadan approaching after we return from the break, we wanted to share some of the ways our staff and school is committed to ensuring your child and family are supported. We wanted to reach out to families to ensure an open line of communication regarding the ways we can support your child during this important month. Staff and students have been made aware that room 300 has been designated as a prayer room. There are a number of students who already use this room for that purpose. We will also offer the conference room in the office as a place to support those who are fasting and wishing to be together during nutrition breaks. If your child is requiring any accommodations to music instruction (e.g., singing, playing instruments, listening/moving to music) please email our music teacher at [lcarruthers@ugcloud.ca](mailto:lcarruthers@ugcloud.ca).

Please contact the school if you have any further questions.

Sincerely,

Mr. Blair Conrad  
Principal
