

October Newsletter

Dear Kenilworth Families,

What a wonderful start we have had to the 2023-2024 school year!

Thank
You

The students and staff would like to thank Mr. Gauci and the Gr 3/4's from last year for starting Kenilworth's first garden! As you can see they were very successful!

We would also like to thank all the families who were able to come to our Open House. It is so nice to see some familiar and new faces to our Kenilworth Community. Although we only had 1 food truck this year, we still raised \$180 to be put towards Scientists in the Classroom.

We know that the cooler weather will be arriving shortly. Please remember to send your child to school in layers. This is important for inside as well, as the school does get damp at this time of year!

Upcoming Special Events:

- October 9-Thanksgiving
- October 13-Bring a Stuffedie Day!
- Oct 18-20-Gr. 3's participate in CCAT
- Oct 23-Picture Day
- Oct 27-PA Day-No school
- October 31-Wear Halloween colours

Please know that if you have any questions or concerns, please call me at the school 519 848-3320.

Mrs. L. Cozzarin

Terry Fox

We had a wonderful afternoon outside, participating in our Terry Fox Walk/Run. **We raised a total of \$ 980.00 for the Terry Fox Foundation.** Thank you Kenilworth Families!

UGConnect

Kenilworth's Public School's main mode of communication with families will be the UGDSB School Messenger App which is a communication tool for your smartphone.

Designed to streamline communication between schools and the communities they serve, the Upper Grand Mobile app provides parents with a simple interface with up to date information including news, calendars and social media feeds.

The Upper Grand Mobile App (called UG Connect) is available at either the Google Play Store or at iTunes. Use the search term "Upper Grand" to find the app. Once you have the Upper Grand app on your device, go into "Settings" within the app and select Kenilworth Public School. Information from our website can be seen in the News section of the app and our calendar details will show up there too!

Allergies at School

We want to remind families that we do have food allergies at our school. If this affects your child's class, the teacher would have sent a message to families. Please remember that products such as peanut butter and Wow Butter are not allowed at school as per board policy.

Emergency Drills

In the first week of October we will have a Lock Down Drill and our first fire drill. These are mandatory drills that all schools must do each fall and spring. We will have 2 more fire drills throughout the month of October.

PATS

The School Council will be meeting on Thursday, October 5th from 6:30-7:30 in the Library here at school. We had a wonderful turnout at our first meeting! Hope to see more! Don't forget PATS is currently running a chocolate bar sale fundraiser with funds going towards Scientists in the Classroom and a new playground!
