

Dear Kortright Parents/Guardians,

Every year, the Kortright Hills Parent Council holds a fundraising initiative. The money goes to the school, to purchase resources which benefit all children in our school.

In 2018, we sold chocolate bars. Our fundraising efforts were very successful, and allowed us to put almost \$8,000 towards the purchase of Chromebooks.

This year – we are trying something new. We kept it grassroots & involved the students! The kids were all given the opportunity to draw a black and white picture during a period with Mr. Cooper, and were told their work would help support their musical education. A parent volunteer then digitized over 430 drawings and combined them all to create the templates for wrapping paper sheets (aka “Cobra Wrap”).

We are selling 28x40” sheets in packages of 4, for \$5. All 4 sheets are different, but together, they contain all the drawings from the kids – OUR kids – in our school.

Why Cobra Wrap?

- **100% of proceeds go to the school.** A former Kortright parent is providing the paper and press AT COST. Volunteers do all the rest!
- **It’s a fun idea!** How cool is it to wrap your presents in professionally-produced paper that your kid helped make?
- **It is recyclable!**

How are we doing?

Well... we need your help! As of November 20th, we have sold approximately 350 packages.

Our goal is 1,000. If we sell 1,000 we will reach our goal – purchasing a class set of ukuleles & likely providing additional funds for much needed resources within the school.

Ukuleles are AWESOME, so please support our fundraiser this year.

Please consider buying Cobra Wrap; for yourself, your friends, your family, and your neighbours. Remember, this is a fundraiser - post it to your social channels, get the kids to call family & sell like with any fundraiser!

Thank you for all your support
