

Live Free Parent/Guardian Letter

Dear Minto Clifford Families,

Minto Clifford Public School and The Children's Foundation are working hard to meet the growing need in our community, and that includes fighting food insecurity through our. Help Kids Live Free From Hunger campaign. 100% of the funds raised between January 23 - March 3rd will go towards providing healthy meals to students through our Minto Clifford Food and Friends program. With your help, we can continue to provide meals in our community.

This year, the need is greater than ever. 1 in 5 children may experience food insecurity, and with rising food prices a healthy Food & Friends meal can cost an average of \$3.40 compared to \$1.85 a year ago.

The Children's Foundation is challenging community supporters - business, organizations and individuals - to make an impact on the lives of local children and youth by helping us meet our regional goal of 30,000 meals. We hope you'll join us in this challenge and help support those in need within our Minto Community.

Campaigns like LIVE FREE helps us continue to meet the growing need within our community and ensure those most in need feel supported. To donate to the Live Free Campaign. Please use our School Cash OnLine.

With Gratitude,
